Jim,

As of July 20, 2007, I will be resigning from Puzco Transportation and Your Advantage. After many months of negotiations, I have been managed to acquire the Active Green + Ross store in Simcoo, Ontario. I will be taking ownership of the store in the beginning of August, 2007.

I would like to take a moment to thank everyone at Your Advantage who has helped me in the past two and a half years. Thank you to Jim who has always been there for me if I needed a hand (or a kick in the butt). Thank you to Ruth (and Angie, while she was with Your Advantage) who have somehow managed to figure out my finances. And last but definitely not least, thank you to Lori for this great company. This company is truly an asset to all truck drivers. It is a relief in this industry, having a company watching your back.

It has been my pleasure to work for Your Advantage.

Sincerely,

Neal Cameron
