

Every  
**sale**  
starts with a  
**lead.**

**We have them.**

Want all fleets serving the meat business? Quick and easy.

Only want tank truck carriers in Texas? No Problem.

Divide leads into 72 regions by zip code? Easily done.

Fleets with 20 to 50 units hauling heavy machinery? You've got it.

**FleetSeek**

FleetSeek provides the best leads for fleets or companies operating trucks: 200,000 within the US and Canada. Each with extensive contact and demographic detail. And all are easily customizable to your specific needs.

Subscribe and get a full year's access to over 200,000 trucking operations – for-hire, private fleets, owner-operators, US and Canada. FleetSeek is internet based complete with comprehensive search and sort engine. Order as downloadable or customize your database.
